Avery Chen

Project Support Assistant

avery.chen@example.test | Halifax, Canada

Recent Bachelor of Arts graduate seeking a Project Support Assistant role, with student project experience tracking tasks and dependencies, recording meeting notes, following up on agreed actions, and updating participants when arrangements changed. Ready to apply collaborative problem solving and adaptable organization in remote project support across Canada.

Projects

Campus Study Workshop

2024 – 2024

Student group project. Kept task lists and dependencies visible, recorded meeting notes, and followed up with group members on agreed actions. When the workshop room changed, notified participants of the updated location so they could adjust their plans.

Education

Bachelor of Arts

North Coast University
