Avery Chen

Project Support Assistant

avery.chen@example.test | Halifax, Canada

Seeking a Project Support Assistant role, bringing student group project experience with task lists, dependency tracking, meeting notes, and follow-up on agreed actions. I kept participants informed about a room change and am ready to support project schedules, meeting coordination, and collaborative problem solving in a remote Canadian team.

Projects

Campus Study Workshop (2024)

Kept task lists and tracked dependencies for a student group project. Recorded meeting notes, followed up with group members on agreed actions, and notified participants when the room changed.

Education
